

May 2018

Dear Dewdney Families:

Spring has sprung! For real! We are busily moving manure, planting gardens and dipping for bugs. This month we have many early learning opportunities for 0-8 year olds beginning with our Ready Set Learn on May 9th from 5-7pm (Please note the time change and I apologize to our farmers that it is right in the middle of milking). We are teaming up with Community Services and Diana McCall to provide 3 fun filled evenings which include a light lunch and parent time on May 9, May 16 and May 23. Please see the attached flyer for more info and don't forget to RSVP!

There are several field trips and other special events coming up. The calendar comes home the end of each month to keep you updated and is posted on the parent facebook page.

The Track and Field Meet is coming up on May 3 and 4 for our Intermediate students. Come on out and cheer them on. Thank you to Mrs. Gray for her leadership.

Craft Fair/Manure sale – Saturday, May 5th. Thank you to the PAC for all their help in organizing movie nights, Craft fairs, popcorn days, hot lunches and the many other things they do for the Dewdney Community.

Students have been practicing for the talent show on May 11 under the tutelage of Mrs. Lindahl. We have quite the performers at our school! We also are looking for students to perform for our parent/volunteer tea in June. Please call Mrs. McLeod if your child wishes to perform and did not have a chance at the talent show.

It is hard to believe that we are already in May and soon we will be saying farewell to our Grade 6 students. Many of them are wonderful helpers in the office and classrooms and we will miss them.

Enjoy the spring sunshine and the “rainshine”.

Sue McLeod

Principal
