

November 2019

Dear Parents/Guardians:

It is amazing to think that the second month of the school year has now come to an end. It was a fun filled month with lots of learning and activities. Classes visited the pumpkin patch, basketball practice has begun, the Great Shakeout, student mock elections, Crime not to Read, Tuesday on the Trails and BCWF visits are only some of the events that took place this month. This month was yet another example of the dedication the staff, parents and community have for the students of Dewdney Elementary.

Teepee Raising

We were honoured to have Elder Sam Green speak with the students of Dewdney about unity, peace and togetherness. The teepee was officially raised for this school year with the help of some of the students.

Wildsafe BC: Ranger Program

Wildsafe BC presented to each class teaching the students about human and animal contact. We learned ways we can keep ourselves safe and strategies to limit conflict with animals in the wild. We also had a chance to look at some fossils and animal skulls.

Spirit Day: Rainbow Inclusion Day

Rainbow Inclusion Day was Dewdney's first Spirit Day of the year. It was a chance for the students and staff at Dewdney to demonstrate that everyone is welcome. We have been learning that it is our differences that make us stronger as a community.

Halloween Carnival

Another fun filled event with games, costumes, food and candy! Thank you PAC for all of your effort in putting everything together. The students, staff and parents did a great job with the Haunted House. I heard many screams throughout the night. Great job acting and memorizing your lines Mrs. Tedford's class.

Halloween Parade

We had a great time showing off our costumes and dancing to The Monster Mash. What a great way to wrap up the month of October.
